HOW THE LEAGUE WORKS:

- 9 hole league (play 14 or 18, but league is 9 holes only)
- League begins anytime after 2:00pm - Call the Pro shop to book a tee time as a single or a group
- Golf Canada Gold Membership will track your handicap, plus give you incident protection on golf equipment and power carts (See handout for details)
- Two person blind best ball – You will be randomly paired with another player. The lowest net score on each hole will be your team score.
Ex. Nancy makes a 5 on the first hole, but receives a stroke so her net score is a 4. Jody makes a 6, but also receives a stroke so her net score is a 5. As a team, the lowest net score is recorded, so together Nancy and Jody record a best ball score of 4.
- This is a fun league, so don't worry about scoring, as the Pro Shop will do all the calculations! (*Max score on any hole is 9*)
- Although it is recommended to play every week, it is not mandatory. However we do offer our version of the Fed-Ex Cup point race which is based heavily on participation. Prizes to be won at the year end banquet!
- Have fun and meet some new friends along the way!
