## ANALYZE YOUR SWING TODAY

1 HOUR SWING ANALYSIS WILL PROVIDE YOU WITH A  
COMPLETE UNDERSTANDING OF YOUR SWING.

We will discuss the goals for your game and select the academy  
program best suited to reach those goals.

SWING ANALYSIS INCLUDES:

**Dual camera V1 Video Analysis to capture each swing  
from down the line and face on views.**

**V1 Pressure Mat ground force analysis to determine  
how effectively you are using your feet and the ground  
to create power and stability in your swing.**

**Trackman 4 launch monitor data to provide the most  
accurate club and golf ball data on the market.**

**Golf game analysis form to provide the coach with  
a greater understanding of your current golf game  
strengths and weaknesses.**
