## AIM GIRLS CLUB

**\$165 per 4 week session**

**6:1 COACHING RATIO**

**1.5 HOUR SESSIONS**

AIM's Girl's club is a learn to play golf program designed specifically for girls aged 10 - 16 years old. We strive to build a life long love for the game and a positive image for our girls as athletes on the golf course. Our Girls Club program will be run this summer by our Head Golf Coach, Jon Blomme who was the 2019 Junior Leader of the Year award winner with the PGA of Ontario.

Over the course of the four week program the girls will be introduced to putting, chipping full swing fundamentals, on course strategy, as well as rules of golf and etiquette. Our programming is designed to include both golf instruction and parts of our AIM movement program that has been altered to focus on junior development. The AIM Girls Club was designed to provide these young athletes a place to come and learn the game in a safe environment with like minded peers.

We look forward to another successful year with our Girls Club at the AIM Golf Academy

The 4 week sessions operate on Saturday afternoons starting at 4pm.
